

PROGRAM  
Sandy Frank

During 2010-2011, LWV of Lee County monthly luncheon meetings were held at the Royal Palm Yacht Club. Topics and speakers supported our program issues and were arranged by board members according to the plan developed at our April 2010 Planning Retreat. Speaker presentations were summarized in the LWV Lee Voter for the following month. At each meeting, we collected funds for donation to the Harry Chapin Food Bank.

October 2, 2010

2010 Florida Amendments presented by the Collier County Coordinators for The Fair Districts Florida Campaign: Kathleen Slebodnik, Current LWV of Florida Everglades Restoration Representative and Former LWV of Florida Director and LWV of Collier County President, and Joyce Fletcher, Former LWV of Collier County Director.

November 6, 2010

Program planning for LWV Florida. Members reviewed and discussed the Florida State Program Issues and LWV of Lee County recommended that LWV issues for action include fair reapportionment, student educational achievement, resource management, environmental protection and sustainability.
