**No Labels**

**Linda Peterson, Minnesota No Labels Co-Chair**

No Labels is a bi-partisan national organization dedicated to putting people before party, presenting the "real" facts on issues to a caucus of "Problem Solvers" from both parties, and developing a National Strategic Agenda to fix what is broken." Linda Peterson is a founding member and co-chair of No Labels Minnesota. Her passion for the No Labels agenda inspired her to do more for her state by spearheading the inception of No Labels Minnesota. Linda is hoping to help accelerate an active membership in Florida, particularly in Lee County. She is retired from the medical field and has a heart for the hearing impaired. Her rich experience with Minneapolis Association for the Hearing Impaired, makes her an excellent communicator with those politicians that seem, oh, so hard of hearing at times. Creating a country where her children and grand children can have all the opportunity that democracy affords, is what makes Linda so passionate about the No Labels mission.
